This year's theme is "Hungry for One World" and Morlan has arranged an evening of discussion and sharing ideas to see how individuals and different groups can work together to ensure real changes in our local communities and in the global community. There will be various stalls and the Coffee Bar will be selling Fairtrade drinks and snacks. Come along and support us and see what you can do to make a difference.

Your attention is also drawn to a series of programmes on S4C on Sunday evenings at 8.00, about spiritual journies. The programme on 25 October will track the journey of two young girls from Aberystwyth who visited Lourdes in July. They had to raise money for the trip and they held some planning meetings and fund-raising events at the Morlan during the year.
